Weekly Market Commentary 9.09.2019

published by The Carson Group

Global stocks rallied sharply for the second straight week. Stocks have historically performed worse in September than any other month, so the positive performance comes at a welcome time. For the week, the S&P 500 rose 1.8%. Global stocks, represented by the MSCI ACWI index, rose 2%.

To Catch a Thief

provided by Taylor Financial Group, LLC

Many Americans have taken steps in recent years to protect their personal information, but savvy cybercrooks have overcome some of those defenses. A 2018 Javelin Research report found identity theft hit an all-time high in 2017, affecting an estimated 16.7 million consumers.

Tip of the Week

from the Weekly Economic Update

*Some consumers pay **\$100 or more in ATM fees annually** because they make withdrawals from **third-party ATMs**. If you bank with a major lender, try to make ATM withdrawals strictly from their branches.*
